Dear Col. Sanger:

I thank you very much for your exceedingly kind letter which I have asked my Secretary to keep among my private letters for though I cannot accept the kind invitation of the Historical Society at present, yet I hope in the future to arrange a date with them. I should be more than grateful for any additional slides on Labrador, especially any with Mr. Root in as they would greatly add to my lecture. I thank you very heartily for the photograph and also for your kind invitations.

Believe me to remain,

Very sincerely yours,
